

I, _____ (current owner), representing the company of _____ (none of not applicable) grant WEBster Computing Services and its staff complete permission to change the legal owner and control of domain name _____ from myself or my company to the following individual or company:

company: _____

name of new owner: _____

email of new owner: _____

I state under penalty of perjury that I, _____, am the current legal owner of the domain name _____ and have the complete legal right to request this domain name alteration. I also understand that through this request I am permanently giving up legal rights and ownership of this domain name to another party and that this action can not be reversed.

I hereby give WEBster Computing Services permission to act as my agent, giving them full authority to modify this domain name.

I agree to indemnify, defend, and hold harmless WEBster Computing Services and its employees from any and all legal action, liability, losses, damages, costs, expenses, attorneys' fees, causes of action or claims caused in the event that I am not the legal owner of this domain name, in the event that I do not have the legal right to transfer this domain name to another party, or in the event this action causes the loss of this domain name for any reason.

I also fully understand that any domain name registry alteration may not be successful. If this action is successful I and the new owner agree to follow the domain registration and renewal guidelines of WEBster Computing Services which are published at <http://www.webcs.com/agree.html>
